Dear Parents,

This is regarding extension of date for payment of fees for the next session 2020-21.

Under the prevailing Pandemic situation and subsequent economic slow down, few parents are requesting that the date for payment of fees without penalty may be extended till 30 April, 2020.

In view of the above, it has been decided that The date of payment of fees for the session 2020-21 has been **extended till 30 April, 2020 without penalty**

Your kind cooperation is solicited to serve you better.

Be safe; Stay Safe

With Warm Regards
