Ref. No. BBV/19-20/Parents/03-05

Dated: 30.03.2020

Dear Parents

Hope you and your family are safe and confined under lockdown.

On behalf of the teachers of BBVP and on my personal behalf I wish GOOD LUCK to all the students of class X for excellent results in Board Examinations 2020.

I am sharing the stream wise list allotted to your ward in class XI. Should you seek any clarification, kindly contact Mrs. Achala Verma, Senior Academic Coordinator (achala030023@bbvpilani.edu.in).

I also take this opportunity to welcome you all to the new Academic Session commencing w.e.f. April 01, 2020 through online classes, amidst the current pandemic situation.

The whole nation is fighting to control the communal spread of the Covid 19 amongst Indians. We join our hands to extend our full support to the Nation by keeping our self in isolation and be a part of Nation's mission in control of the Virus, Covid 19.

The current situation is unexpected and unprecedented. However, one can not compromise, while supporting the nation's mission, the progress of nation, major being the education sector, and do our best as far as possible to continue the system under lockdown.

BBVP has made all the necessary arrangements to begin the new session from April 01, 2020 and start the classes online. Hope the Class Teachers and Subject Teachers are in touch with your ward and you about the modalities of connecting your ward online for the regular classes with few demo classes.

I request all the parents to encourage your ward to actively join the online classes and keep a supervision of your ward during the classes.

I am sure, once the school reopens, it will add extra pressure to all of us, particularly with students who will have more pressure with overload under limited time.

Our main efforts are to ease the pressure as much as possible, while continue keeping the child in touch with the classroom activities under lockdown.

Let us contribute to our nation's fight against the Covid 19 without compromising our progress in academic activities.

Thank you for your kind cooperation.

Together We Make Difference
Help Us to Help You

Best Regards,

Dr M Kasturi
Principal
