

Dr. Seema Sinha awarded Ph. D from BITS Pilani, Rajasthan

BBVP fraternity congratulates Dr. Seema Sinha, Bursar, Birla Balika Vidyapeeth, who has been awarded a Doctorate degree from BITS Pilani, Rajasthan. The topic of her Ph.D is **“Celebrating the Marginals: Reading the Selective “Others” in The Mahabharata”**. Dr. Seema Sinha has problematized the gender-normative hierarchical perceptions in the Indic myths and has established that the grand narrative, by design, encouraged the gendered subaltern to question the binary and seize a place of its own. Her endeavour is to identify the uniqueness of the Indian ethos, value system, character, and beliefs as embedded in the great epic. She has brought into focus unheard voices in The Mahabharata, and proffered an alternative interpretation of accepted myths and legends.
