

REPORT

CHANGE MAKER HUMANITY AWARD

Recognizing individuals who provided selfless and untiring support to society especially during the Covid-19 Pandemic, Jaipur National University (JNU) in association with BSG announced the winners of the '**Change Maker Humanity Award**' at a ceremony held in Jaipur on Saturday, 26th March 2022.

This joint initiative was launched on December 15th, 2021, to honour and celebrate the humanitarian contributions of those who have worked tirelessly in the areas of Education, Medical & Community Healthcare and Social Services in the state of Rajasthan. The '**Change Maker Humanity Award**' received a very positive response and various Individuals, teams, and institutes in Rajasthan were nominated for this award.

An eminent Jury selected 29 awardees in 16 categories from the nominations that were received. The awards ceremony was attended by around 300 people comprising of 60 BSG members and around 25 guests (from BSG Jaipur).

The ceremony commenced with lamp lighting ceremony which was followed by short films on JNU and BSG. This was followed by the awards ceremony in which each awardee was felicitated by the **Chief Guest, Dr. Mahesh Joshi**, (*Minister of Public Health Engineering & Ground Water for Rajasthan*) and the **Guest of Honor, Shri Ashok Chandna**, (*Minister of Skill, Employment & Entrepreneurship (DSEE), and Youth Affairs & Sports for Rajasthan*).

Dr. Rajneesh Prajapat, (PGT-Biotechnology & Medical Diagnostics, Birla Balika Vidyapeeth, Pilani) is co-authored books titled "A Textbook of Medical Diagnostics", benefiting many students. Their work and teaching techniques in the given fields exemplifies the true spirit of a Change Maker.

Dr Rajneesh Prajapat

Winner
